

Dr. Tom McKaskill

Global serial entrepreneur, consultant, educator and author, Dr McKaskill is an established authority on how successful entrepreneurs' start, develop and harvest their ventures. Dr. McKaskill is acknowledged as the world's leading expert on exit strategies for high growth enterprises. Over a twenty year period as an active entrepreneur, Dr. McKaskill's experience included multiple start-ups in the UK and USA, raising venture capital twice, undertaking two acquisitions and strategic trade sales of three businesses. Recently retired from the Richard Pratt Chair in Entrepreneurship at the Australian Graduate School of Entrepreneurship, Dr. McKaskill is the author of eleven books for entrepreneurs covering such topics as new venture growth, raising venture capital, selling a business, acquisitions strategy and angel investing. Dr. McKaskill is an active member of the Gold Coast Angel Group.
